

DOING BUSINESS IN BRAZIL

CHALLENGES OF A BIG MARKET IN A BIG COUNTRY

SYLLABUS, October 2016

I. Course Description

Challenges of a Big Market in a Big Country course aims to address the connections between academic and corporate environments. The course will enhance awareness of the Brazilian culture and way of doing business. Subject areas covered will include: Business Environment; Social, Political and Economic Dimensions; Economy; Finance Challenges; Entrepreneurship; and Marketing.

Teaching and Learning Approach

The teaching and learning approach has two main components:

- In class activities: Lectures, delivered by professors, designed to provide participants with conceptual frameworks of DBB.
- Company Visits and Field Work: To better understand the topics addressed in class the students will have to do a field work on the companies visited by them.

Attendance Policy

Attendance and full participation is essential to the experiential learning for intensive, international programs. All students must attend all required sessions which may include lectures, speaker sessions and corporate visits. Attendance will be taken at every session on every day of the program.
